**Convoyer's Report:** We had difficulties on Friday when one of our main drivers failed to turn up for duty but thanks to great help and cooperation from Brian & Dawn Strange of the Bridgwater & District club a replacement was found at very short notice. We were able to accommodate all birds on one transporter arriving on site at 3.30am having travelled through heavy rain and thunder. Birds were watered at 5.30am. It was still raining. The rain stopped by 8am and became sunny and fine but an early liberation was not possible due to rain throughout the Combine area. This was expected to pass and following consultation with the race advisor the birds were liberated at 11.35am into a west wind. Weather was fine and sunny with good visibility and the birds cleared well. En route back to base the west wind was very strong bending trees but the weather remained fine and sunny with no rain on the journey.

## D Burdis

**Secretary's Note:** My own thanks as well to Brian and Dawn Strange for helping us out of a very awkward spot on Friday night.
