Convoyer's Report: Arrived on site at 1.30am – unable to gain access. RPRA stated a combination lock was there but it was a padlock. Local agent said he could not get a key from the Council. Parked at entrance to site and watered birds before turning in for sleep. Rose at 6am and topped up water. Site was opening for 8am. At 7.30am the padlock was opened but we were told a liberation would be impossible due to a go-kart rally taking place (same event is held every year at the site on the same day). Consulted with race advisor and secretary and was going to prepare to re-locate to Bedhampton. At about 8am I managed to find someone for another key to give access to another part of the site approximately 150 yards west of the authorised site – this was a better site. We lined the vehicles in the same direction as the wind which was a fairly strong SW or WSW. There was cloud but the sun was breaking through with blue sky patches. It was warm. Visibility was excellent. The birds were liberated at 9.30am in a strong SW and cleared immediately. En route home the weather was fine with plenty of sun although the wind continued to be quite strong'

Martin Pike - Chief Convoyer

**Secretary's Note:** It appears we had an excellent race for returns. I will be contacting the RPRA regarding difficulties in accessing the site at Littlehampton.
