Convoyer's Report: Arrived on site at 1.30am and put water before the birds before turning in at 2am. Rose at 5.30am and topped up water. Weather was fine and clear with a light NE wind. Consulted with the race advisor and it was decided to hold as weather in the southern part of the Combine was overcast and 'gloomy'. This was expected to clear and following further consultation with the advisor the birds were liberated at 9.50am in a light NE wind and cleared the site immediately.
