Convoyer's Report: I spoke briefly with Martin Pike our Chief Convoyer on the morning of the race and have not had an opportunity to speak with him since. The birds had arrived on site at about 1.15am when water was placed before them. At 5am the water was topped up. The weather was fine with sunshine before 6am. An early liberation had been planned, weather permitting and after consulting with the race advisor the birds were liberated at 6am in a light west wind.
