Convoyer's Report: Arrived on site at 1.45am where we watered the birds before turning in at 2.30am. Rose at 4.45am and topped up water. Weather was fine with sunshine and blue sky. Visibility was excellent - consulted with the race advisor. We delayed liberation due to weather in parts of the Combine which was clearing towards the north. Finally the birds were liberated at 7.35am into a SW wind and clear skies with few clouds - they cleared the site immediately. Weather was fine throughout our journey back to Yate.

Chief Convoyer
