**Convoyer's Report:** Arrived on site at 12.45am – put water before birds. Rose at 5am – still dark but topped up water - liaised with the race advisor. Weather was fine with a very light north wind. At 6.30am the birds were liberated in sunshine with a few clouds. They immediately split into groups but cleared the site well. Others at the site remarked on 'a perfect liberation'. A small number of crates had sticking flaps so please make sure yours are well oiled.
