Convoyer's Report: Arrived on site at 1.30am. Watered birds ready for daylight. Rose at 6am. Checked water. Weather was overcast with a NW wind. Weather brightening by 9.30am but much of Combine area still overcast. Liaised with race advisor and it was decided to liberate at 11.15am, allowing other organisations to clear our path. Birds liberated in a NW wind and cleared very well towards home.

Contrary to rumours, there were no other organisations on site and no liberation had occurred before us. Stories of earlier liberations still circling are not true.

Secretary's Note: Clubs are still not tying and sealing the top lid of crates. Two birds escaped on Friday evening at Thornbury pick-up and the top lid of their crate had vibrated open. Both birds were accounted for that night.
