**Convoyer's Report:** Arrived on site at 2am. Rose at 5.00am and watered the birds. It was a beautiful morning with little cloud and clear sky. Visibility was good and there was a west wind. I liaised with the race advisor who was making contact with a number of other organisations whose routes would affect ours. It was agreed that we would liberate later in the morning in order other organisations could clear. The birds were liberated at 11am in a brisk west wind and sunshine. They cleared well. At 12 noon on our way home we encountered a heavy storm around Southampton but the rest of the journey back to Yate was fine.
