Convoyer's Report: We arrived on site at 12.30am Saturday and put water before the birds before turning in for the night. Rose at 6.30am and checked water. Weather was quite misty and we had earlier arranged for the race advisor to call us later in the morning at around 10am. This he did but mist still prevented liberation although it was improving. Following a further liaison with the race advisor at 12 mid-day the weather had improved considerably, the sun was out and visibility was good. We liberated at 12.30pm in no wind. The birds cleared well.

Convoyer: Lee Pearce
