Convoyer's Report: Arrived on site at 2.50am and turned in for the night. Rose at 6.30am, watered the birds and opened the curtains. Weather was a bit overcast and there was little wind. Weather began to slowly improve and at 7.30am I liaised with the race advisor. We agreed that a liberation could take place at 9.15am if the weather continued to improve, which it did. There was no wind on site at the time of liberation – sun was shining and the birds split in to two groups and left the site immediately.

Convoyer: Marcel Fricker
