Convoyer's Report: Arrived on site at 2.45am, watered the birds and turned in for the night. Rose at 6.30am, topped up the water and opened the curtains. Weather was fine with some cloud. I liaised with the race advisor and we agreed to liberate at 7.30am. This we did into a light SW wind. Visibility was excellent. The birds split into two almost equal groups and circled for about 2-3 minutes before disappearing over the horizon in the direction of home.

Convoyer: Marcel Fricker
