Convoyer's Report: Arrived on site at 2.45am having left Radstock jct before midnight. There was still a small amount of water in the drinkers so I topped them up and turned in for some sleep. Rose at 5.30am and watered the birds. Weather was perfect – clear blue skies and an ENE wind. Had liaised with the race advisor and it was decided to go early to avoid the heat of the day. I was hassled by security staff on site as it had been pre-booked for an Armed Forces Day (please let the RPRA know) hence the odd time of 6.55am for the liberation. I had to go before 7am so left it as late as possible. The birds split into two roughly equal groups, circled twice and disappeared towards home.

Convoyer: Marcel Fricker
