Convoyer's Report: Saturday 21st July. Left Radstock at approx. midnight and arrived at liberation site at 01.45. The birds were watered and the shutters were opened up a tiny bit to allow some air to pass through. Got up at 06.15 and topped up water and opened shutters whilst waiting for slight mist to clear. Liberated at 08.15 and the birds, eager to get home did one big circle of the site, as one big bunch and headed towards home. This morning's weather was lovely and sunny with a light cloud cover. There was little or no wind.
