Convoyer's Report: Saturday 4th August.. Left Radstock at 11.40 and arrived at Littlehampton at 2.10. I lifted the shutters a bit to allow for air flow. Watered the birds at 5.30am and opened the shutters fully. Liberated at 6.15am into a clear blue sky with the sun just over the rooftops. Wind was light from the North with 15 mph gusts. The birds split into three groups, the two larger groups circled the liberation site once and headed off. The smaller of the groups of 60/70 birds circled for about five minutes before also heading off in the direction of home.

Convoyer Marcel Fricker
