Convoyer's Report: Saturday, Left Radstock at 11.30 Friday night and arrived on site at 1.30am. Shutters were opened and birds were watered at 7.00am. The birds were liberated at 9.30am. The weather on the site was as close to perfect as it could be, the sun was out and there wasn't a cloud in the sky, there was little or no wind.

The birds left the baskets and split into three close groups but cleared together immediately.

We had less baskets sticking this week, so thank you to those who did the maintenance on them.

Convoyer Marcel Fricker
