Convoyer's Report: Left Bristol at 11.30pm after transferring crates. Arrived at Truro at 4am. Sat in the transporter until 5am then watered the birds. The race controller made contact at 8am, we decided the weather wasn't good enough to liberate and decided to hang on for a while. Talked to the race controller at 9am and we decided to liberate at 10.15. Whilst I was round the far side of the lorry I heard flapping noises, when I went to the other side of the lorry I saw that the birds had managed to get out of the front flap of one of the crates belonging to Chippenham. I liberated the birds at 10.05 and contacted the secretary. The birds liberated into a clear blue sky with puffy white clouds and good visibility.

Convoyer Martin Pike

Secretary: On hearing the birds had escaped from the crate I informed Dave Wyatt, Chairman. It was decided that Chippenham would be excluded from this week's race and their secretary was notified and agreed that this was the best solution. Our apologies to Chippenham. No blame lays with the convoyer and our thanks goes to him for all the hard work he did this week. He was very upset that this had happened.
