Congratulations to Glastonbury for winning the F W Read Championship Shield for most points OB/YB racing and also the Cliff Perkins trophy for most points Y/B racing.

Convoyers Report;

Arrived on site at 3am in the rain and bed down for a couple of hours. Woke up at 6am to a miserable and rainy morning so decided to go back to sleep for a bit. Finally got up at 7am to a beautiful calm and warm morning, watered the birds and cut the strings ready for an early liberation.

Spoke to the race controller and was advised that we could liberate from 7.45am. We decided to go at 8am, the race controller phoned again at 7.45 and advised that it was too cold in Gloucester and we decided to postpone the liberation until 8.30am,

At 8.30am we liberated into a blue sky with the lightest north westerly wind.

The birds left the transporter and headed towards home in one big group.

Convoyers Marcel Fricker & Martin Pike

Secretary: We would like to thank Chris Howse, Mike Staddon, John Staddon & Dave Staddon for doing an excellent job as race controllers, also our convoyers Marcel Fricker and Martin Pike for transporting and looking after the birds.

We would also like to thank Dave Wyatt and his team who worked really hard every Friday night transferring the crates. also all the work Dave has done as Chairman this year.

A big thank you to Steve Gibbs for keeping the transporters on the road and all the other things he does for the combine throughout the year.

Finally thank you to our sponsors and all the members who have supported the combine this year, also to the secretaries whose job has been that much harder this year.

Stay safe everyone

Sue
